

Assignments

Financial Plan Assignments

You have come to the end of this course. We have discussed many important topics related to putting your financial house in order. What are the important ideas you will take away from this series of discussions? What are the ideas you have been impressed with regarding personal finance? What should you decide to decide? Write these decisions down in the goals section of your financial plan so that you do not need to remake those decisions.

Finally, put all the sections of your Personal Financial Plan together. Put each section under its respective tab. Make your plan something you are proud of. Put a picture of your family on the cover and put it in a place where you will be able to easily find it. Review your financial plan often.

The purpose of this course has been to help you plan for your financial future. Now it is up to you to follow your plan.
